Project: LR 07 Inspection

Scope of Work: Dalma LR 07 Inspection

Dear Sir,

This letter is to confirm that the inspection for Belly Board, Casing Stabbing Board, Catwalk, Drill Line Spooler and V-Door Ramp/Post are going to be done by Oderco using qualified and trained personnel. All inspections and examination will be performed by certified persons and according to Oderco specified procedures. Upon receiving the inspection and the finding reports Oderco engineering department will issue the inspection Compliance Certificate. Oderco will be using Gantharaj N., only for inspection of the five (5) items listed above, to coordinate all the inspection activities between Oderco engineering and the inspection team in KSA.

Sincerely,

Jasmine Ghalayini
Office Manager
